Green teas

Dragon Well £8.50

One of the most sought after green teas in the world. The leaves (like all our green and white teas) are picked in the beginning of spring. After picking, each individual leaf and bud is hand-pressed and shaped in a wok to achieve the perfect level of roasting. This process creates a tea with an emerald infusion that tastes of sweet chestnuts.

The Twinning's teas

English Breakfast £5.50

Bright and full-bodied amber tea boasts both a refreshing and invigorating flavour.

Earl Grey £5.50

Really light tea, pale gold in colour with a delicate flavour of bergamot.

Darjeeling £5.50

This light golden tea has a delicate character and flavour likened to the muscadet grape.

Assam £5.50

Assam is a strong, rich and deep-amber tea with a malty character

Lapsang Souchon £5.50

This is a strong, golden tea with a very distinctive smoky character.

White teas

Silver Needle £8.00

Long, soft and downy, Silver Needle is composed of hand picked, first spring buds of the Da-Bai tea plant. It comes from Fuding, a serene region with waterfalls and clear lakes. The peaceful setting is reflected in the flavour: soft, mellow, with the freshness of honeydew melon and the soothing sweetness of a ripe cantaloupe. It's an easy-drinking tea that's ideal to relax with.

Herbal Infusions

Whole camomile flowers £5.50

The only way to appreciate the floral, summery elegance of camomile is to put the whole flower in water. The result is a stunning freshness and light, cleansing flavour that you can only find by infusing the whole leaf.

Blackcurrant & Hibiscus fruit £5.50

This vibrant, fruit infusion offers mesmerising flavours and sweet, lively character. With whole blackcurrants, cracked hibiscus shells and red currants, this is an outstanding deep red infusion.

Whole rose buds £5.50

The distilled beauty of whole rosebuds provides a great herbal experience. Light and fragrant like a delicate perfume, this drink is soothing, refreshing and delicate on the palate

Tisanes

Peppermint £5.50

Whole peppermint leaves have been roughly cut to produce a refreshing and cleansing drink. Full of minty fresh flavour, this infusion delivers a cooling caffeine-free brew. Reputed to aid digestion, it is ideal as an after-dinner drink. As refreshing as a bare-foot walk through the morning dew at sunrise, this vibrant and clean infusion is sure to blow the cobwebs away.
